Dear Mr. O'Roark:

Advisory staff has reviewed Verizon's July 31, 2009 Request for Confidential Classification and Motion for Protective Order for information contained in the direct testimony of Earl Poucher. In order to prepare a recommendation on the confidential classification of the information, advisory staff asks that you respond to the questions below no later than October 7, 2009.

1) Please explain why the information on page 7, lines 13 -14 should be granted confidential classification if, as noted in the testimony, this information was provided to customers by Verizon's personnel.

2) Please explain why the e-mail excerpts quoted on page 9, lines 1-3, and 16-17 should be granted confidential classification since they do not contain specific information regarding Verizon's budget.

3) Please explain why the e-mail excerpt quoted on page 10, lines 6-7 should be granted confidential classification since it does not contain specific information regarding Verizon's provisioning intervals.
