**NOTICE OF INTENT TO REQUEST
CONFIDENTIAL CLASSIFICATION**

Progress Energy Florida, Inc., ("PEF" or "Company"), pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), submits this Notice of Intent to Request Confidential Classification of confidential portions of PEF's responses to Staff's Data Request dated September 10, 2009.

Specifically, portions of PEF's response to Staff's Data Request, Attachments A and B, contains sensitive business information concerning negotiated capacity payments, negotiated energy payments, and email correspondence, the disclosure of which would impair the efforts of the Company to negotiate contracts on favorable terms. If renewable producers were allowed to compare the rates being negotiated, it could lead to adverse effects for the Company, causing an increase in purchase power contract rates.

Attached as Exhibit A is a confidential, highlighted copy of the above referenced documents.

Pursuant to Rule 25-22.006(3)(a)(1), PEF will file its Request for Confidential Classification for such confidential information contained therein within twenty-one (21) days of filing this request.

RESPECTFULLY SUBMITTED this 24th day of September, 2009.

This docketed notice of intent was filed with Confidential Document No. 09917-09. The document has been placed in confidential storage pending timely receipt of a request for confidentiality.
