Re: Docket No. 080271-EI; Status of Joint Ownership Discussions Associated with  
Florida Power & Light Company's Turkey Point Units 6 & 7

Dear Ms. Cole:

Docket No. 080271-EI was opened to monitor the status of joint-ownership discussions associated with Florida Power & Light's ("FPL's") Turkey Point Units 6 & 7, as directed in Order No. PSC-08-0237-FOF-EI.

By Order No. PSC-08-0237-FOF-EI, the Commission approved a stipulation which states in relevant part: "No later than July 1, 2009, FPL will continue its good faith discussions with FMEA, FMPA, and OUC, and will also commence good faith discussions of joint participation in Turkey Point Units 6 & 7 with JEA and Seminole. FPL will report the status of such ongoing status discussions to the FPSC every quarter thereafter."

FPL previously filed a letter which confirmed that, by July 1, 2009, FPL had continued or commenced good faith discussions with the parties listed in the Order and with others. The purpose of this letter is to provide its first Report on Joint Ownership Discussions (due by October 1, 2009).

As required by Order No. PSC-08-0237-FOF-EI, FPL has continued good faith discussions with FMEA, FMPA, OUC, JEA and Seminole. On two separate occasions meetings have been conducted: one on August 25, 2008 and another on April 27, 2009.
