Docket No. 090001-EI

Filed: October 22, 2009

AMENDMENT TO PETITION OF FLORIDA POWER & LIGHT COMPANY FOR APPROVAL OF ITS LEVELIZED FUEL COST RECOVERY FACTORS AND CAPACITY COST RECOVERY FACTORS FOR JANUARY 2010 THROUGH DECEMBER 2010

Florida Power & Light Company ("FPL") hereby petitions the Commission for approval of revised capacity cost recovery ("CCR") cost projections for the period January 2010 through December 2010. FPL is revising the CCR cost projections that were filed on August 20, 2009 to account for the nuclear cost recovery amount approved for FPL by the Commission's vote at the October 16, 2009 agenda conference in Docket No. 090009-EI. In all other respects, the requests for relief stated in FPL's petition filed on August 20, 2009 in this docket remain the same. In support of this petition amendment, FPL incorporates the prepared testimony of Terry J. Keith and accompanying Exhibit TJK-7 and states as follows:

1. The 2010 CCR cost projections and resulting CCR factors that FPL proposed on August 20, 2009 reflected recovery of a nuclear cost recovery amount of \$62,792,990. At the October 16, 2009 agenda conference, the Commission reduced the Company's requested AFUDC recovery amount by \$116,624, which reduces the overall recovery amount from \$62,792,990 to \$62,676,366. FPL is accordingly revising its proposed CCR cost projections in this docket to reflect the reduced nuclear cost recovery amount. Due to the minor change in the approved nuclear cost recovery amount, the 2010 CCR factors based on this revised amount do not change from those filed in Mr. Keith's August 20, 2009 testimony. The revised CCR schedules for the period January 2010 through December 2010 are included in Exhibit TJK-7.

WHEREFORE, Florida Power & Light Company respectfully requests that the Commission approve the Company's amended CCR cost projections for the period January 2010

through December 2010 as set forth in the testimony and supporting exhibit of Terry J. Keith. In all other respects, the requests for relief stated in FPL's petition filed on August 20, 2009 in this docket remain the same.

Respectfully submitted,
