Adam, since the company's name was left off the revised title below, it was not included in the updated title in CMS. Please confirm whether or not you would like CLK to update the title to include ". by Saturn Telecommunication Services, Inc." to read as follows:

Amended petition for verified emergency injunctive relief and request to restrict or prohibit AT&T from implementing its CLEC OSS-related releases, by Saturn Telecommunication Services, Inc.

Thank you for your help.

After looking at it again, I have a question regarding the new title. Should the portion of "by Saturn Telecommunication Services, Inc." be included in the updated title?

Adam.

First title is original petition. 2nd is the Amended title. There was a change in title due to change in language regarding "stay" vs "restriction or prohibition". Our issue was written in context of amended petition so we used that title. What say ye?

The docket shown below will be filed on Monday at noon. The first title is what appears in CMS, the second title is what staff put on their front page of the recommendation they filed for a place holder, which one is correct?

Docket No. 090430-TP – Amended petition for verified emergency injunctive relief and request to restrict or prohibit AT&T from implementing its CLEC OSS-related releases.
