Re: PSC Docket No. 090083-GU
Complaint of Sun City Center Community
Association against Peoples Gas System

Dear Mr. Watson:

It recently came to my attention that a copy of the Petition on Proposed Agency Action ("Petition"), filed on behalf of the Sun City Center Community Association with the Office of Commission Clerk, should also have been sent to you as the Peoples Gas representative in this matter.

Please note the original Petition was sent certified mail to the Office of Commission Clerk on October 15, 2009. However, when I discovered it had not been delivered to the appropriate address by October 22, 2009, the Petition was filed electronically on that date and assigned document number 10774-09. Unfortunately, I was not aware that a separate copy of the Petition also needed to be sent to you. Therefore, I apologize for this procedural oversight and hereby enclose a copy of the Petition for your records.

Respectfully yours,

Brian G. Davidson
Authorized Representative for the
