Dorothy,

Document No. 09936-09 was placed in the Undocketed filing 090000-OT. This document should have been placed in Docket Nos. 090213-WS (Four Points) and 090424-WS (Bimini Bay). Could you please place this document in the correct docket files.

Thank You,

I copied everyone with my 9/25/09 letter. However, I did not note that the utility's response only came to me -- I thought it had gone to the Commission Clerk. A part of the problem is that D. No. 090213-WS has been closed. I gave Lydia a copy of both my letter and the utility's October 7th response, and she states she will have them placed both in D. No. 090213-WS (Four Points) and 090424-WS (Bimini Bay). If you have any further questions, or if I can be of any further assistance, please contact me.

Can you give me the status on the possible show cause letter for Four Points.
