Dorothy,

Per our discussion, the correct name in the suggested docket title would be Heather Hills Estates Utilities, LLC. Bart should be getting the correct program/module/submodule assignment, and the OPR/OCR is ECR.

Thank you,
 Curt

Subject: Request to Establish Docket - Docket 090500 - Heather Hills

Good afternoon, Bart and Curt. CLK has received a request to establish docket for Heather Hills Estates. We are in need of further information in order to accurately set the docket up.

The utility name in the docket title does not match the name shown in MCD; we need to know if there has been any sort of name change or if we need to include the correct utility name in the title, from Heather Hills Estates to Heather Hills Estates Utilities, LLC.

We also need to know the Program/Module/Submodule assignment. It's No. 5 on the form.

Finally, the OPR/OCR designations include individuals' names rather than division acronyms. Since the CASRs usually include the names of those assigned, we don't need the names on the requests when setting up the initial docket. We just need to know what division is the OPR/OCR. If you could provide that info for us, it would be appreciated. In this case, I'm sure it's ECR, but with so many changes taking place recently, I wanted to confirm that ECR is correct.

Thank you for your help!
