Robert,

I just realized that in my e-mail below, I quoted February "28" rather than February "26," and I updated the title incorrectly based on that. Please confirm that it should read "February 26, 2008" and not "February 26th 2008" or "February 28, 2008." Thank you for your help!

The title change looks good.

The Prog Mod should be **A-3(a)**, I had 3(c) which was incorrect.

Thank You
 Sincerely
 Robert

Subject: Request to Establish Docket

Good evening all,

I apologize for sending this to everyone, but I'm not sure exactly who filed the Request to Establish Docket regarding the review of replacement fuel costs associated with the 2/26/08 outage on FPL's electrical system.

The prog mod is listed at 3(c). We need clarification on that. Should that be **A, 3, c?**

Also, please confirm that the docket title should be revised from:

Review of Replacement Fuel Costs Associated with the February 28th 2008 Outage on *FPL's* Electrical System.

to:

Review of replacement fuel costs associated with the February 28, 2008 outage on *Florida Power & Light's* electrical system.

Thank you for your help.
