Re: Peoples Water Service Company of Florida, Inc.; 2008 General Rate Increase Application
PSC Docket No. 080695-WU
Our File No. 31007.06

Dear Ms. Cole:

It is my understanding that members of the Commission's technical staff are currently reviewing a proposal for a minor modification to the rate structure that requires some additional analysis. As such, we have been asked if we would be willing to extend the statutory deadline for processing this case by an additional 40 days. In order to allow full consideration of that rate structure modification, we hereby grant a waiver of the statutory deadlines for the processing of this case for a period of an additional 40 days, as long as this does not delay action by the Commission beyond the January 5, 2010 agenda conference date.

If you or members of the technical staff have any questions in this regard, please let me know.

Sincerely,
ROSE, SUNDBSTROM & BENTLEY
