Service Commission in Order No. PSC-94-0580-FOF-EU, issued May 17, 1994, in Docket No. 940071-EU (“Agreement”).

5. The Northeast Resort Parcel/Golden Oak Estates PD which is currently located within the service territory of RCID will soon be developed. This area, as shown on Exhibit A-1, was de-annexed from the RCID political boundary in June 2008. Further, RCID, in accordance with its charter, cannot furnish retail electric power outside of the RCID boundary. RCID has provided a letter requesting PEF provide temporary service to the Northeast Resort Parcel/Golden Oak Estates PD area until such time as RCID and PEF can effect a permanent change in service territory.
6. In accordance with Section 2.2 of the Agreement, the Parties request that PEF provide electric service to the customer’s end-use facilities in the Northeast Resort Parcel/Golden Oak Estates PD and that the territorial boundary be modified to reflect this change and placing the area within the PEF service territory as is reflected in Exhibit A-2.

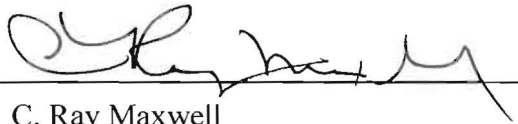

WHEREFORE, the Parties respectfully request that the Commission grant this Petition to approve the above-described permanent power service.

Respectfully submitted,
