Yes, it did mean "take out", but I also intended to send an e-mail request. AT&T's correction was received at about the same time and slipped my mind.

Subject: CASRs

Good afternoon, Jeff. Lee Fulcher just brought us a copy of a CASR revision form in Docket 090525. In the docket title, "with modifications" is crossed out and the letters "T.O." have been written in. I wanted to confirm whether or not those letters stand for "take out." If not, please provide clarification.

Also, in order to make changes in a timely manner, please send requests for docket title revisions to Cathi via e-mail with a cc to me in case she out of the office. The CASRs don't usually come to my section (documents). Requesting that from Cathi directly will ensure that nothing falls through the cracks. Thank you for your help, and let me know if you have any questions.
