RE: Docket No. 090512-EI, Petition to Initiate Rulemaking

Dear Sir/Madam:

I have had an opportunity to discuss the substance of the above-referenced Petition with representatives from Florida Power and Light and they have agreed to work with me to see if they can put procedures in place which would obviate the need for such an amendment to your rules.

Consequently, this is to request that the Commission allow me to withdraw the filed petition with the hope that it will not be necessary to refile it at a later date.

Thank you.

Very truly yours,

s/Stephen B. Goldenberg
