RE: Confidential Documents in Docket No. 080631-TP

Please do the following with respect to documents in Docket No. 080631-TP:

Return Document Nos. 10372-09 and 11207-09 to their source. These are documents associated with Notices of Intent. The Documents, respectively, are identical to Document Nos. 10943-09 and 11517-09 which are discussed below.

Remove Exhibit CAC-2 (a CD) from Document No. 10943-09 and give it its own Document No. in this Docket file. The request for confidential classification of CAC-2 was withdrawn by the company on December 8, 2009 (Document No. 11824-09).

Return the remainder of Document No. 10943-09 (Exhibit. CAC-4) to the source. This Exhibit has been replaced by a revised version (Document No. 11517-09) and will not be used at hearing.

The Prehearing Officer will issue an order addressing the request for confidential classification of Revised Exhibit CAC-4 (Document No. 11517-09).

Thank you for your help with this.
