Martha or Connie,

Please see Mr. Faherty's comments below and advise how you would like this to be handled.
 Thank you for your help.

Importance: High

Dear Ms. Menasco:

I just read the PSC website and reference to docketed Petition. Contrary to the Mr. Brisé's Executive Secretary's May 22, note, the referenced Petition docketed on May 22, 2012 is separate and apart from the one previously filed with the PSC against the City and for which Glen Heran, the City, and I recently received an extension of the abeyance on it until January 31, 2014.

The May 22, 2012 docketed petition is against the PSC, not the City of Vero Beach, for violation of the State's 1980 Antitrust Act . Therefore it should be removed from the one against the City and docketed separately.

Thank You.

Dr. Stephen J. Faherty, Sr.

Commission Clerk:

As noted below, I did not have the capability to e-file the document and attachments in one documents as the package was a mix of Word and Adobe documents.

The package was mailed via USPS on or about May 8, 2012 and I have not received a confirmation notice from the Clerks office. I have attached the cover letter without attachments for purposes of you knowing what the filed document looked like.

Please advise whether I should refile the documents by paper and with USPS certified mail.

Sincerely,

Dr. Stephen J. Faherty, Sr.

Dear Ms. Menasco:

Thank you for your information.

I do not have the understanding/capability to merge Word and Adobe documents into one Word or Adobe document. I have mailed today a signed letter – we have kept another signed letter for our files – together with the four attachments to the PSC via USPS.

Thank you.

The filing of the Indian River County Resolution # 2011-026 was rejected by the PSC because it was in two documents (transmittal letter and Resolution) rather than one document with both items. The County Attorney's office combined both documents into one and it is attached.

Thank You.
