Lee Eng,

I confirmed with atty Klein that the CD that was received today, on behalf of BullsEye and Granite, in the above-referenced docket, was only sent because they thought that's what the e-filing requirements specified needed to be done. (i.e. File the document electronically with the PSC, but then follow-up with a CD.) I advised that if the document has been electronically filed, we do not require the same document to be filed in any other manner. He advised that it was a misunderstanding and was sent in error. I advised him that I would forward the CD to staff (RAD). The Word versions on the CD are copies of previously filed DN's 09459-10 and 09460-10. Give me a call if you have any questions.
