### Case Background

On March 1, 2010, Progress Energy Florida, Inc. (PEF) and Florida Power & Light Company (FPL) filed petitions seeking prudence review and final true-up of the 2009 costs for certain nuclear power plant projects pursuant to Rule 25-6.0423, Florida Administrative Code (F.A.C.), and Section 366.93, Florida Statutes (F.S.). On April 30, 2010, PEF filed a petition seeking approval to recover estimated 2010 costs and projected 2011 costs. On May 3, 2010, FPL filed its petition seeking approval to recover estimated 2010 costs and projected 2011 costs. Both companies requested recovery of these costs through the Capacity Cost Recovery Clause (CCRC).

**Subject:** RE: Confidential copies

Good morning Ann:

Great question! I got involved in this matter in 2010.

The documents you enquire about have all been either returned to the Clerk for destruction, never created, or retained in the docket file. The documents are fully accounted for.

A full description of what happened to all these unnumbered "administrative" copies is provided below:

The matter involved 8 audits in total and 4 witnesses. I am restricting my discussion to those documents for which unnumbered copies are described in the Clerk's 2008 administrative files for Docket 080009.

You ask about 5 copies made from confidential documents -- there were actually 12 copies involved in this matter. The Division of Regulatory Compliance requested administrative authority to make 12 copies of various confidential materials. (See Document numbered 02164-08, pages 63 and 71).

This request was due to the fact that staff auditors were requested to testify at the 2008 hearing regarding nuclear matters. Eventually, the auditor's reports were admitted into the record without the auditors having to testify. The documents involved and their disposition is as follows:

04495-08 (1 copy) 1 Copy Returned to the Clerk -- See Document No. 00064-10 page 5  
04496-08 (3 copies) 1 Copy Returned to the Clerk -- See Document No. 00064-10 page 5  
1 Copy to Hearing File and 1 copy not made-See Document No. 00064-10 page 19  
06681-08 (2 copies) 1 Copy to Hearing File and 1 copy not made-See Document No. 00064-10 page 19  
06682-08 (2 copies) 1 Copy to Hearing File and 1 copy not made-See Document No. 00064-10 page 19

3/28/2011

06722-08 (2 copies) 1 Copy to Hearing File and 1 copy not made-See Document No. 00064-10 page 19

06453-08 (2 copies) 1 Copy to Hearing File and 1 copy not made-See Document No. 00064-10 page 19

Thank you very much for your inquiry. I will be happy to answer any follow up questions!

November 19, 2010, Good Morning Kathy and Jasmine:

Docket 080009, Nuclear Cost Recovery

I have been working with multiple FPL confidentiality requests for Nuclear Audits for the year ended December 31, 2007, so I am trying to resolve all issues with the confidential materials found in this docket.

The Miami office seems to have a lot of copies of sensitive information concerning the 2007 FPL Nuclear Audits on-site. Normally, the Miami office uses checked-out original documents, but in this case the Miami office was provided confidential copies for use in preparing testimony. I am hoping all these sensitive copies can be returned to the Clerk and destroyed. If the information is still needed currently by the office, I can replace copies with the checked-out original documents.

The copies I am looking for are:

Confidential Document	Audit Description	Audit Control No.	Audit Report Page
04495-08	2007 FPL Uprate	08-065-4-1	Workpapers Vol. 2 of 2
04496-08	2007 FPL Uprate	08-065-4-1	Page 4

3/28/2011

(The office should have 2 copies)

06681-08	2007 FPL Turkey Point	08-087-4-1	Page 4
06682-08	2007 FPL Turkey Point	08-087-4-1	Page 5
06722-08	2007 FPL Uprate (Supplemental)	08-065-4-1	Page 3

Please return these confidential copies to me so I can have them destroyed. If you need to keep the information, or if you have any questions, please let me know.

Lastly, I would like the Miami Office to let me know if there are other copies of confidential documents in its possession. I was not aware that confidential copies were prepared for the Miami Office that are still outstanding. Currently, the Clerk does not list these copies on its inventory of confidential documents, so we will have to be careful to track and dispose of these copies.

Thanks

Bob Freeman

RECEIVED-FPSC

COMMISSION CLERK

On November 17, 2010, the Bureau of Auditing filed a recommendation addressing FPL's request for confidentiality concerning Confidential Document Nos. 04495-08, 04496-08 and 05103-08 (See Document 09468-10).

Included in the November 17th recommendation was a request that the original copy of working paper 43-1/2 from Confidential Document No. 04495-08 be returned to FPL. Also included in the November 17th recommendation was a request that the company copy of working paper 43-1/2 from Confidential Document No. 05103-08 be returned to FPL.

FPL had reported that working paper 43-1/2 contains sensitive social security number information, so the Bureau of Auditing updated Confidential Document Nos. 04495-08 and 05103-08 to redact the social security number information, and then asked that the social security information on the original and company copy of working paper 43-1/2 be returned to the FPL. The return of this social security information to FPL is still pending.

On November 18, 2010, the Clerk's Office (Pena) advised the Bureau of Auditing that another copy of Document Nos. 04495-08 and 04496-08 was made on/about June 13, 2008 (See Document No. 02164-08, page 73).

We have located the extra copies of Document Nos. 04495-08 and 04496-08 and are providing these extra copies along with this memorandum so the Clerk's Office can destroy them and update the memorandum records and close out this matter.

REC'D - COMMUNICATIONS CLERK  
10 DEC 13 PM 2:40  
RECEIVED - FPSC

During this case, the Chief of Auditing obtained the authority to make 2 sets of copies of several audit report pages (See Document 02164-08, page 63). By this memorandum, the Bureau of Auditing is accounting for the disposition of those confidential copies.

On August 1, 2008, the Chief of Auditing notified the Clerk's Office that the Bureau needed authorization to make 2 sets of copies of several audit report pages in order to file testimony in the September 11, 2008 case hearing. One set of confidential copies was filed as testimony, but the second set of copies was never made because the auditors did not present live testimony at the hearing. The audit reports were accepted into the record without additional testimony. Specifically, disposition of these documents is as follows:

Original Confidential Document No.	Company	Audit No.	Description	Disposition of 1 <sup>st</sup> Copy	Disposition of 2 <sup>nd</sup> Copy

Pursuant to APM 11.04(C)(6)(c) I request approval to make two copies of Confidential Document Numbers 06453-08, 04496-08, 06681-08, 06882-08, and 06722-08. These documents are the confidential portion of the audit work papers of the staff audits for nuclear cost recovery. Staff is filing testimony and will be entering a copy of the audit reports as an exhibit to be attached to the testimony. Staff counsel advises that we need to file 1 copy. In addition, we would like an additional copy for the staff auditors to have when they testify, in addition to the original that will be shared with the analysts for cross examination. I can't believe you OK'd that rate increase!

That's going to be a 25% increase in my average bill once fully in effect.

You shouldn't have allowed them to buy the business if they couldn't do what they said they would do-keeping the rates down. They were asking for rate increases from day 1! You really messed up with that one! [or was that the idea!!! yeh, I'm one of them. I hope your bill goes up 50%]
