Mr. Mouring,

I have done a thorough search in CMS and in the e-filings folder for the month of July 2010. I can not find any record of receiving any thing from Heather Hills Estates Utilities.

If the application was addressed to a specific staff person, then it would have gone straight to that person and not directly to the Clerk's Office for filing. If a staff person has received an application, they would need to forward it to the Clerk's Office for processing.

Or the only other suggestion, is that Heather Hills send in an application (again?) directly to:

Mr. Solana:

We have received a letter dated 6/30/10, requesting "to be added to [our] service list database as in 'interested party' for all telecommunications orders, dockets and notices." We also had the same request in October 2009. See response below. Please advise if you are requesting to be added as an interested person in any specific dockets.

This letter will be placed in undocketed matters (DN 00236-10) for future reference.

Nonnye,

This memo serves as a follow-up to the letter dated 9/21/09 from GSAssociates/Solana, which was forwarded to our office by RCP. Ruth N has advised me that you have the original letter. I received a copy. Said letter requested "to be added to [our] service list database as in 'interested party' for all telecommunications orders, dockets and notices." I called Mr. Solana and advised that we currently had about 100 open telecommunications dockets; that we don't keep a running list of interested persons; and that all current documents are available for monitoring on the PSC website. He advised that the letter could have been a little clearer, but was intended to be a request to be apprised of any new events for telecommunications companies in Florida. I advised him that there was a list that he could be included on to receive notices of workshops, etc. He advised that list is more along the lines of what they are looking for, and not documents in open dockets.

I will place this e-mail, along with my copy of the letter, in the parties correspondence for undocketed matters for future reference.

Mr. Clark:

It is my understanding that Nonnye Grant has responded to your request to update your contact information to receive notices of hearing, rulemaking, and workshops. This response will confirm that the Commission does not maintain weekly summaries of orders, which are available from the PSC website: <http://www.floridapsc.com/dockets/orders/>, at no cost.

The Commission is unable to automatically add persons to future new dockets. If you would like to receive orders for any electric utility-related matters *currently* pending before the Commission, you will need to provide specific docket number(s), in order to be added as an interested person in the docket. As an interested person you would receive all notices for hearing, prehearing, proposed agency action orders, final orders, and notices of agenda conferences.

I hope you find this information helpful. Please call our office if you have any questions.

Please note that, per the Commission's e-filing requirements, documents are to include an official signature.

**Manner of Electronic Transmission:**

- Documents shall be signed by typing "s/" followed by the signatory:

s/ First M. Last

**E-Mail Transmitting an Electronically Filed Document**

- The e-mail message transmitting the document(s) to be filed is not itself considered a filing.

In this instance, either a cover letter with a signature and a brief explanation of what the attachment is, or an official signature on the filing would be appropriate.

Please add my name to the list of interested persons who request information when a new docket is opened. I'm really only interested in new dockets related to the regulation of electric utilities, but if there's no way to be selective, please add my name anyway. Thanks so much for your assistance.

Thanks for your reply. I tried to have the girls at BB&T fax you the copy you asked for but they were unable to get it through. They said maybe your fax was not on. Since I can't remember what request I made, maybe we should just forget it until this "Senior Moment" passes and then I will get in touch. That is, if it ever passes. However if anyone else has requested changes be made to my contact information, please let me know. It is strange that I can't remember contacting you.

It just looks like the guy who was informing those in my address book that I was changing from AOL to Tampabay might have picked up your name from my address book which could have been because my son used this computer also. There are some of my friends on it and then some I never heard of so that sounds logical. However please let me know if anyone requests anything about me in the future. Sincerely, Jean Schneider
