IN RE: Application of

for Amendment to Wastewater
Certificate No. 546-S in
Highlands County, Florida

Docket No. 080613-SU

MOTION FOR EXTENSION OF TIME

SILVER LAKE UTILITIES, INC. ("SLU"), by and through its undersigned attorneys, requests the Commission grant it an extension of time within which to comply with a requirement in Order No. PSC-09-0086-FOF-SU issued February 9, 2009, and in support thereof states:

1. On February 9, 2009 the Commission issued Order No. PSC-09-0086-FOF-SU granting SLU's Application to extend its wastewater service area in Highlands County, Florida.

2. One of the Ordering paragraphs requires SLU to submit an executed and recorded long term Lease Agreement for the wastewater treatment plant site within one (1) year from the date of the Order or prior to construction of the wastewater treatment plant.

3. The wastewater treatment plant has not yet been constructed. Development has not yet begun in the service area and SLU is just now identifying the location of its wastewater treatment plant, and will not have an executed and recorded Lease Agreement by the deadline established in Order No. PSC-09-0086-FOF-SU, to wit February 9, 2010.

4. SLU's failure to meet the deadline in Order No. PSC-09-0086-FOF-SU is not due to lack of diligence, but because the particular location could not be identified until the Developer's plans had progressed sufficient to do so.

WHEREFORE, SLU requests the Commission grant it an extension of time of one hundred twenty (120) days, to wit June 9, 2010, within which to file with the Commission the executed and recorded lease for the wastewater treatment plant property.

Respectfully submitted on this 12th day
of January, 2010, by:
