

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Fuel and purchased power cost recovery
clause with generating performance incentive
factor.

DOCKET NO. 100001-EI
ORDER NO. PSC-09-0795A-FOF-EI
ISSUED: January 25, 2010

AMENDATORY ORDER

BY THE COMMISSION:

On December 2, 2009, the Commission issued Order No. PSC-09-0795-FOF-EI approving expenditures and true-up amounts for fuel adjustment factors; GPIF targets, ranges, and rewards; and projected expenditures and true-up amounts for capacity costs recovery factors. The order was issued as a final order, and no party filed a notice of appeal of the decision. Order No. PSC-09-0795-FOF-EI contains one error, however, that needs to be corrected. The third Ordering paragraph on page 20 should read "over-recovery" instead of "under-recovery."

Order No. PSC-09-0795-FOF-EI is hereby amended in that the third ordering paragraph is to state the following: "ORDERED that Florida Power & Light Company shall refund the 2009 over-recovery amount of \$364,843,209 to its customers in January 2010."

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Order No. PSC-09-0795-FOF-EI is amended as described above. It is further

ORDERED that Order No. PSC-09-0795-FOF-EI is affirmed in every other respect.

By ORDER of the Florida Public Service Commission this 25th day of January, 2010.
