Thanks. We will start contacting you to convert to email or remove us from a docket based on what we receive.

**Subject:** Joint Administrative Procedures Committee notices

The Administrative Procedures Committee is automatically added to a parties list at the time certain new dockets are set up. Since there is a requirement that the Committee get some things by hard copy, we are unable to do a global change in our Case Management System (CMS).

It is suggested that you contact us with specific docket numbers ([clerk@psc.state.fl.us](mailto:clerk@psc.state.fl.us)) requesting to add your e-mail address so that we can make individual changes in CMS. Please note that if you request that the Office of Commission Clerk add your e-mail address to an individual docket's parties list, all future documents issued in that docket will be sent electronically via the e-mail address provided.

We will be glad to work with you to reduce costs and paperwork. I hope you find this information helpful.

Ms. Cole:

We are trying to reduce our costs and paperwork over here and have noted that we seem to get a lot of faxes and hard copies of things from the PSC that we really do not need. Unfortunately, I cannot ask you just to convert everything for us to email because we are still required to get hard copies of certain things, like proposed rules, petitions for variances and waivers, and declaratory statements. For everything else, the best delivery option would be email ([joint.admin.procedures@leg.state.fl.us](mailto:joint.admin.procedures@leg.state.fl.us)). Is there some way to convert us to email service only for all the other dockets to which we have been added? If there is no other option, I will start contacting you each time we get something from a docket for which it does not appear we need to receive anything so that we can be removed or converted to email service only.

00986 FEB 12 2010  
FPSC-COMMISSION CLERK

For example, in Docket 090461-TL, please use the above email address for any future notices instead of faxing us.

If you have any other ideas on how we can limit the number of faxes we receive, please let me know. Thanks.

Brian T. Moore  
Chief Attorney  
Joint Administrative Procedures Committee
