Katherine, I have updated the NOI (DN 08431-09) to reflect that DN 09403-09 is the official request, so now it is green. I have cross reference DN 08432-09 with 09204-09. Do you want me to return DN 08432-09 to the source since it came in with the NOI?

Kim,

I know that you said you were working on this and I was just wondering what the status of this document is.

Thanks.

Kim,

I was looking at DN 08431-09 and 08432-09 and it is a notice of intent, which has been covered by the actual request filed in DN 09204-09. I think that 08432-09 can now be green.

Thanks!
