BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Second Request for Extension of)
Confidential Classification of Materials)
Provided in FPL Connect Service Audit)

Docket No. 060224-EI

Filed: March 15, 2010

**FLORIDA POWER & LIGHT COMPANY'S
SECOND REQUEST FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION
OF MATERIALS PROVIDED IN FPL CONNECT SERVICE AUDIT**

NOW BEFORE THIS COMMISSION, through the undersigned counsel, comes Florida Power & Light Company ("FPL") and, pursuant to Rule 25-22.006 of the Florida Administrative Code and Section 366.093 of the Florida Statutes, hereby submits its Second Request for Extension of Confidential Classification granted by Order No. PSC-06-0978-CFO-EI, concerning work papers provided to the Florida Public Service Commission Staff ("Staff") during the FPL Service Connect Process Audit, RCA #05-285-4-1 ("the Audit"), for the year-ended December 31, 2004. In support of this Second Request for Extension of Confidential Classification, FPL states as follows:

1. Petitioner's name and address are:

Florida Power & Light Company
700 Universe Boulevard
Juno Beach, Florida 33408

Orders, notices, or other pleadings related to this request should be served on:

Jessica A. Cano
Attorney
Florida Power & Light Company
700 Universe Boulevard
Juno Beach, Florida 33408

2. On May 12, 2006, FPL filed with the Commission an Amended Request for Confidential Classification of the information provided in connection with the Audit. That filing consisted of the May 12, 2006 Amended Request and Exhibits A through E. On November 2,

2006, FPL amended Exhibit C to the May 12, 2006 Amended Request. By Order No. PSC-06-0978-CFO-EI, the Commission granted FPL's May 12, 2006 Amended Request. FPL adopts and incorporates herein by reference its May 12, 2006 Amended Request and exhibits.

3. On May 16, 2008, FPL filed its first request for extension of the confidential classification granted by Order No. PSC-06-0978-CFO-EI. By Order No. PSC-08-0515-CFO-EI, the Commission granted FPL's first request for extension of confidential classification. FPL's May 16, 2008 request and exhibits are also incorporated herein by reference.

4. Some of the information that was the subject of FPL's previous requests warrants continued treatment as proprietary and confidential business information within the meaning of Section 366.093(3), Fla. Stat. Included herewith and made a part hereof is a revised Exhibit C, reducing the amount of information for which confidential classification is sought and reflecting a new affiant attesting to the continued confidentiality of certain material. Also included and made a part hereof is a revised Exhibit D, which includes the affidavit of Maria Besada.

5. FPL submits that the information identified as confidential on the revised Exhibit C continues to be proprietary confidential business information within the meaning of Section 366.093(3), Florida Statutes. As the affidavit provided in the revised Exhibit D indicates, this information consists of trade secrets and information related to competitive interests, the disclosure of which would impair the competitive business of FPL Energy Services ("FPLES"), and for certain information, FPL. Specifically, this material consists of information related to the marketing of and revenues from particular FPLES products, and other items as detailed on the revised Exhibit C. Pursuant to Section 366.093(3)(a) and (e), such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the public records law.

6. The material for which FPL seeks continued confidential classification is intended to be and is treated by FPL as confidential and has not been disclosed. Nothing has changed since the issuance of Order No. PSC-08-0515-CFO-EI to render this information stale or public, such that continued confidential treatment would not be appropriate.

7. Accordingly, FPL requests that the information identified in the revised Exhibit C be granted confidential classification for an additional eighteen month period. FPL further requests that the information be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business.

WHEREFORE, for the above and forgoing reasons, as supported by the exhibits included herewith and the materials incorporated herein by reference, Florida Power & Light Company respectfully requests that its Second Request for Extension of Confidential Classification be granted.

Respectfully submitted,

EXHIBIT D (REVISED)

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Second Request for Extension of Confidential Classification of Materials Provided in FPL Connect Service Audit)))

Docket No: 060224-EI

STATE OF FLORIDA))) COUNTY OF MIAMI-DADE)

AFFIDAVIT OF MARIA BESADA

BEFORE ME, the undersigned authority, personally appeared Maria Besada who, being first duly sworn, deposes and says:

1. My name is Maria Besada. I am currently employed by FPL Energy Services, Inc. ("FPLES") as Director, Organization Development and Management. My business address is 9250 West Flagler Street, Miami, Florida 33174. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed the documents and information for which I am listed as an affiant in Revised Exhibit C and which are included in Exhibit A to FPL's Request for Confidential Classification of information obtained in connection with Audit No. 05-285-4-1. The documents or materials that I have reviewed and which are asserted to be proprietary confidential business information include trade secrets and information relating to competitive interests, the disclosure of which would impair the competitive business of FPLES and, with respect to certain information, FPL. To the best of my knowledge, confidentiality of this information has been maintained.

3. No significant changes have occurred since the issuance of Order No. PSC-08-0515-CFO-EI to render the information state or public such that continued confidential treatment would not be appropriate. Accordingly, the information referred to in this affidavit should continue to be maintained as confidential for an additional period of no less than eighteen months. These materials should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.

Maria Besada MARIA BESADA

SWORN TO AND SUBSCRIBED before me this 15th day of March 2010, by Maria Besada, who is personally known to me or who has produced known (type of identification) as identification and who did take an oath.

Monica P. Caballero Notary Public, State of Florida

My Commission Expires:
