(Continued from previous page)

Issue 2: Should this docket be closed?

Recommendation: The Order issued from this recommendation will become final and effective upon issuance of a Consummating Order, unless a person whose substantial interests are affected by the Commission's decision files a protest that identifies with specificity the issues in dispute, in the form provided by Rule 28-106.201, Florida Administrative Code, within 21 days of the issuance of the Proposed Agency Action Order. As provided by Section 120.80(13) (b), Florida Statutes, any issues not in dispute should be deemed stipulated. If Enhanced Billing Services, Incorporated, Access One Communications, Inc., Toll Free Connect, Inc., Mr. Willoughby Farr, or Ms. Mary Lou Farr fails to timely file a protest and request a Section 120.57, Florida Statutes, hearing, the facts should be deemed admitted, the right to a hearing waived, and the cancellation of IXC Registration Nos. TJ938, TJ942, and TK018 should be final. The companies and persons should be required to immediately cease and desist providing intrastate interexchange telecommunications services in Florida. The Commission should order staff to submit a request to write-off the unpaid Regulatory Assessment Fees, and accrued statutory late payment charges to the Florida Department of Financial Services. This docket should be closed administratively upon submission of the request to write-off the Regulatory Assessment Fees and late payment charges to the Department of Financial Services.
