RE: Document No. 00839-10 in Docket No. 080631-TP

By Order No PSC-10-0023-CFO-TP ("Order"), issued on January 11, 2010, the Florida Public Service Commission ("Commission") granted in part and denied in part AT&T's ("Company") Request for Confidential Classification of Document No. 11517-09, which is a hearing exhibit that AT&T prefiled in this Docket. In the Order, the Commission directed AT&T to refile its hearing exhibit redacting only the information on page 1, line 3 that had been granted confidential classification.

In accordance with this direction, on February 5, 2010, AT&T refiled its hearing exhibit, redacting only the information granted confidential classification. The Company also filed an unredacted copy (Document No. 00839-10) highlighting the information granted confidential classification. Accompanying the refiled documents is an Amended Request for Confidential Classification.

Because the Commission has already granted confidential classification to the information that has been refiled by AT&T, it is my recommendation that Document No. 00839-10 is directly linked to Order No PSC-10-0023-CFO-TP, and no further action is required.
