**Re: Docket No. 080009 Requests for Confidential Classification
Document Nos. 06679-08, 06680-08, 06681-08, and 06682-08**

Dear Mr. Butler:

I am writing regarding Florida Power & Light Company's ("FPL") outstanding Request for Confidential Classification of staff audit working papers, prepared as part of the 2008 FPL Nuclear Cost Recovery Clause Audit, Audit Control No. 08-087-4-1, Document Nos. 06679-08, 06680-08, 06681-08, and 06682-08. FPL's request is dated August 20, 2008, and it appears that no order addressing FPL's request has been issued.

Given that more than 18 months has passed since the original request was made, I am requesting that FPL review the documents in question and determine if any portions can be declassified. For any information that FPL believes continues to merit confidential classification, I request that PEF file a new renewed request, including FPL's justification for continued confidential classification. Thank you for your time and attention, and please do not hesitate to contact me if you have any questions.

Sincerely,

Lisa C. Bennett
Senior Attorney
