PEOPLES WATER SERVICE COMPANY OF FLORIDA, INC.
CUSTOMER NOTICE
ISSUED: MARCH 24, 2010

On July 2, 2009, Peoples Water Service Company of Florida, Inc. (Peoples Water) completed its application to the Florida Public Service Commission (Commission) for increased water service rates to its customers in Escambia County, Florida. That Application also requested approval of interim rates.

By Commission Order No. PSC-09-0537-PCO-WU issued on August 4, 2009, the Commission granted interim rates, collected subject to refund, pending the Commission's decision regarding final rates.

After thorough investigation and audit by the Commission staff, by Proposed Agency Action Order No. PSC-10-0117-PAA-WU, issued February 26, 2010 (PAA Order), the Commission authorized a portion of the requested increases in water rates designed to allow Peoples Water the opportunity to recover costs for providing service and a reasonable rate of return on its investment in facilities necessary to provide such water service. The PAA Order approved an increase of approximately 11.90% overall and also found that the previously approved interim rates were appropriate. Since the PAA Order was not protested within the protest period, it became final and effective March 19, 2010.

The increased rates approved by the Commission are effective for meters read on or after April 21, 2010.

The new rates for water service are listed on the back of this customer notice. If you have any questions about your next bill, please call the Peoples Water's office at (850) 455-8552.

Sincerely,

PEOPLES WATER SERVICE COMPANY OF FLORIDA, INC.
