Below please find staff's response to PEF's Request for Clarification (Request). For your ease of reference, I am also attaching the Request. If you have any questions about this information, please let me know.

15. By PEF's approved 2010 budget, staff means the budget used by PEF's management to measure the Company's performance on a monthly basis for 2010. Presumably, the "official" budget was approved by PEF's president and/or board of directors.

16. By updates to the 2010 budget, staff means any approved updates/revisions to the originally approved 2010 budget.

17. This data request could be reworded as follows:

DOCUMENT NUMBER-DATE

02451 APR-2 2

FPSC-COMMISSION CLERK

Office of Commission Clerk Official Filing

For the months available, please provide a monthly comparison between the budget amounts and the actual results for 2010 for rate base and net operating income on both a system and jurisdictional basis for the approved budget (Data Request 15) and the updated budget (Data Request 16).

18. This data request is seeking the approved 2010 budget information in a summarized earnings surveillance report (ESR) format for the period ending December 31, 2010. Presumably, the approved 2010 budget would provide greater detail than the ESR.

19. This data request is seeking the updated 2010 budget information, if any, in a summarized earnings surveillance report format for the period ending December 31, 2010. Presumably, the approved 2010 budget would provide greater detail than the ESR.
