CONSENT MOTION FOR EXTENSION OF TIME

Pursuant to Section 1.46 of the Commission's rules, Bright House Networks, LLC ("Bright House") hereby moves for an extension of time to file its Response to Tampa Electric Company's ("TECO's") Motion for Leave to Supplement Record and Renewal of Request for Evidentiary Hearing ("Motion") in the above-captioned proceeding.

Bright House requests the extension of time because the parties to this proceeding have just completed a two-week trial in Florida state court in a case involving the same matters on which TECO seeks a hearing before the Commission. As a result, the parties will not have received any decision in that trial before Bright House's Response is currently due on April 2, 2010. Bright House therefore moves for an extension of time to file its Response to TECO's Motion up to and including twenty (20) days after the Florida court has issued its judgment in that trial.

The parties have consulted regarding Bright House's request and TECO's counsel has represented that it does not object to it.

Good cause exists to grant Bright House's motion. Allowing Bright House to respond to TECO's motion after the Florida court has resolve the parties' dispute will contribute to a full and accurate record in this proceeding, serves the public interest, and will not cause TECO any prejudice.

Respectfully submitted,
