Case Background

On April 12, 2010, Peoples Gas System (PGS) filed a petition for approval of modifications to its tariff to comply with data-posting requirements adopted by the Federal Energy Regulatory Commission (FERC). The new FERC regulations are applicable to PGS and are designed to facilitate price transparency in markets for the sale or transportation of natural gas in interstate commerce. The FERC regulations will require PGS to post daily information regarding scheduled gas volumes at specified points of receipt and delivery.

Please note as well that the Commission's Statement of Agency Organization and Operations requires certificated companies to notify the Commission of any changes in name, telephone, address, or contact person. Should your application be granted by the Commission, you will be expected to comply with this requirement by advising us of any changes as they occur.
