Issue 2: Should this docket be closed?

Recommendation: No. If no person whose substantial interests are affected by the proposed agency action files a protest within twenty-one days of the issuance of the Order, a Consummating Order will be issued. However, the docket should remain open pending the outcome of the Phase II Monitoring Plan. In addition, the docket should remain open contingent on the DEP not issuing any further consent orders regarding the Woods water and wastewater systems within 18 months of the Final Order, issued on May 29, 2009.
