Re: Docket Nos. 080001-EI
423 Forms 2/08-6/08

Dear Mr. Butler:

While catching up on outstanding confidentiality requests, staff has identified several requests for confidential treatment for Florida Power & Light Company's (FPL) 423 Fuel Reports for the months of February, 2008, through June, 2008, filed during the 2008 fuel clause proceedings which have not yet been acted upon.

Given the amount of time that has passed since the original requests (in excess of 19 months), I am writing to ask that you review the identified documents and determine whether any of FPL's requests for confidential classification can be withdrawn, and the information declassified. For information that FPL believes should continue to be treated as confidential, I would appreciate it if FPL would file requests for extended confidential classification. Thank you for your time and attention, and please do not hesitate to contact me if you have any questions.

Document Nos.	Month	Date of pending request
09316-07	February, 2008	May 5, 2008

01354-08	May, 2008	August 4, 2008
00312-08	June, 2008	September 4, 2008

Sincerely,
