Re: Docket No. 100000

Dear Ms. Cole:

On April 15, 2010, Gulf Power submitted its Response to Commission Staff's Supplemental Data Request relating to Gulf Power's Ten Year Site Plan. Information submitted by Gulf in response to item numbers 3 and 34 of the Forecasting & Planning section and item number 13 of the Renewable Energy section of Staff's Supplemental Data Request (the "Confidential Information") is considered confidential by the Company and was therefore accompanied by a Request for Confidential Classification. (See, document number 02845-10).

Gulf Power has been advised that Commission Staff desires to return the Confidential Information to Gulf and Staff has requested that Gulf withdraw its pending Confidentiality Request in order to facilitate the return of the Confidential Information to the Company. Please allow this correspondence to serve as Gulf Power's request to withdraw its pending Confidentiality Request bearing document number 02845-10.

Gulf further requests that the Commission return the Confidential Information (document numbers 02846-10 and 03130-10) to the Company without publicly disclosing the same as soon as practicable.

Sincerely,

A handwritten signature in cursive script that reads "Susan D. Ritenour".
