Ann,

I received a phone call at approximately 1:45 PM yesterday (Thursday, September 2, 2010), from Attorney Ken Hoffman of FPL. Mr. Hoffman informed me that the information to be conveyed in his call was procedural in nature. He stated that FPL had, earlier that day, made filings in all dockets in which FPL was a party and to which Commissioner Skop was assigned requesting Commissioner Skop's disqualification from further participation in all such dockets. Please place this e-mail in the correspondence side of each of the respective dockets.

Thank You,  
Bill McNulty  
Chief Advisor to Commissioner Skop

**Subject:** Docket No. 100154-EG - Parties

It has come to me attention that the parties tab of CMS in Dkt. No. 100154-EG specifies that Gulf Power Company is represented by Jeffrey A. Stone / Russell A. Badders / Steven R. Griffin. However, all of the contact information is correct except for the city & state "Pensacola, GA" should be "Pensacola, FL". Please ensure that this information is correct when you have a moment. Thank you.
