Subject: Docket No. 090319-EI (Gulf Power Depreciation and dismantlement study)
Importance: High

Mary Anne,

This follows and confirms our telephone conversations of late Friday afternoon and this morning. As you know, Gulf Power's depreciation study is on the agenda for the Commission Conference scheduled for tomorrow, May 18, 2010. Gulf is concerned about portions of the Staff's recommendation and would like the matter deferred from tomorrow's agenda in order to give Gulf the opportunity to meet with Staff in a noticed meeting to discuss these concerns. I spoke with Patty Christensen at the Office of Public Counsel this morning about this request. Patty stated that OPC does not object to deferring the matter or the prospect of a noticed meeting.

If anything else is needed from Gulf Power in connection with this request for deferral, please do not hesitate to contact me. I look forward to hearing from you.

Thanks!
Jeff
