Subject: Filing in wrong docket - 100301-WS/090531-WS

On 5/28/10, Mr. Marcelli with Utilities, Inc. filed in Docket 100301-WS DN 04517-10:

"Notice of filing, with attached affidavit of mailing, and notice of customer meetings."

Today we have rec'd. an e-filing (with the documents again) advising that that pleading should have been placed in Docket 090531-WS.

Questions:

*Do you want the Clerk's Office to move DN 04517-10 from 100301-WS and place the pleading in Docket 090531-WS ?

*And should the Clerk's Office not accept today's e-filing, since it would be considered a duplicate ?

Marguerite.
