Subject: Docket No. 100123-TP - BST/AT&T and Protection Plus of the Florida Keys d/b/a Engage Communications

Cathi, please change the docket title to show the CLEC name as it appears in MCD - Protection Plus of the Florida Keys d/b/a Engage Communications (TX874). (This change just adds an "s" at the end of "Communication".)

Robyn, at AT&T's earliest convenience, please have the negotiator correct the CLEC name to include the "s" at the end of "Communication" so the name as it appears in the ICA is consistent with the records of the Secretary of State and the FPSC. Let me know if you have any questions.
