Re: "FPL Employees Seeking A Better Company" Correspondence of June 15, 2010

A letter sent June 15 to the Commission by persons stating that they represent a group of FPL employees apparently references our client, the System Council U-4, by mentioning that the group consists of IBEW members.

We write today to state that the intervenor union, System Council, is not part of the group raising these issues. The authors of that letter speak for their group or as individuals, and not as representatives of the System Council.

Yours truly,

/s/ D. Marcus Braswell, Jr. /s/
