FPSC-COMMISSION CLERK

25-22.061 Stay Pending Judicial Review.

(1) When the order being appealed involves the refund of moneys to customers or a decrease in rates charged to customers, the Commission shall, upon motion filed by the utility or company affected, grant a stay pending judicial proceedings. The stay shall be conditioned upon the posting of good and sufficient bond, ~~or the posting of a corporate undertaking, or and~~ such other conditions as the Commission finds appropriate to secure the revenues collected by the utility subject to refund.

~~(b) In determining the amount and conditions of the bond or corporate undertaking, the Commission may consider such factors as:~~

- ~~1. Terms that will discourage appeals when there is little possibility of success; and~~
- ~~2. A rate of interest that takes into consideration:
  - ~~a. The use of the money that the stay permits;~~
  - ~~b. The prime and other prevailing rates of interest at commercial banks and other potential sources of capital in the amount involved in the appeal.~~~~

(2) Except as provided in subsection (1), a party seeking to stay a final or nonfinal order of the Commission pending judicial review ~~may shall~~ file a motion with the Commission, which ~~has shall have~~ authority to grant, modify, or deny such relief. A stay pending review granted pursuant to this subsection may be conditioned upon the posting of a good and sufficient bond or corporate undertaking, other conditions relevant to the order being stayed, or both. In determining whether to grant a stay, the Commission may, among other things, consider:

(a) Whether the petitioner has demonstrated a likelihood of success on the merits is likely to prevail on appeal;
