Yes, the suffix will be changed to TP since we are adding the IXC information. We will also add prog mod B, 13, b.

Let me know if you find anything else that should be changed. Thanks, Paul!

Good morning, Paul.

We will add TJ785 to Docket 100344-TX per your request below.

Please confirm that you would like the docket title changed to:

Per this e-mail, can we add the IXC (TJ785) to Docket no. 100344-TX?

Also, do we need to change title to 100344-TP?

Thank you!

Good afternoon Ms. Thomas.

I'm working on the name update and have a question for you. Did your client want just the CLEC name updated or the CLEC and the IXC?

Thank you!
