Re: Docket No. 100007-EI

Dear Ms. Cole:

On behalf of Progress Energy Florida, Inc. (PEF), I am writing to advise that, at this time, PEF has identified no new environmental projects for which it currently seeks to obtain cost recovery in the above docket, other than the project already identified in the Petition for Approval of Cost Recovery for a New Environmental Program filed by PEF on June 23, 2010. Additionally, PEF would note that its estimated/actual true-up and projection filings will include costs to comply with new requirements for PEF's already approved Pipeline Integrity Management Program (Project No. 3) resulting from recent amendments to 49 CFR Part 195.

Please acknowledge receipt and filing of the above by stamping the duplicate copy of this letter and returning it to me. If you have any questions regarding this filing, please give me a call at 425-2359.

Very truly yours,

Gary V. Perko
