**Issue 2:** Should this docket be closed?

**Recommendation:** Yes. If the Commission approves staff's recommendation to approve the proposed standard offer contract and tariffs filed by Progress, and no person whose substantial interests are affected requests a hearing to address this matter, then Docket No. 100168-EQ should be closed, and the standard offer contracts and tariffs filed by Progress should be effective as of the date of the Commission's vote. If a protest is filed within 21 days of the issuance of the Commission's order, the tariffs should remain in effect pending resolution of the protest. Potential signatories to the standard offer contract should be aware that Progress' tariffs and standard offer contracts may be subject to a request for hearing, and if a hearing is held, may subsequently be revised.
