PROPOSED SEPTEMBER 2010 DATA NOTIFICATION

BellSouth Telecommunications, Inc., d/b/a AT&T Florida ("AT&T") is considering making the changes described in this document to generate results for the September 2010 data month. Results for the September 2010 data month will be posted as follows:

| | |
|---------------------|------------------|
| Preliminary results | October 20, 2010 |
| Final results | October 29, 2010 |

AT&T provides Data Notifications each month in compliance with the SQM Plan. The Plan specifies that when AT&T proposes making any changes to the methods by which performance data is calculated, it must provide written notice. The notice is provided on the first business day of the month before the data month in which the change will be made. The Plan also requires AT&T to provide notification if it is considering making changes to the method of calculating data for the following month.

ENCORE Releases may affect monthly data flows from the source systems (e.g., LASR, LESOG, etc.) that PMAP uses to calculate measurements. AT&T will make changes to PMAP to ensure that data continues to be correctly captured as ENCORE Releases are implemented.

System releases may affect monthly data flows from the source systems that PMAP uses to calculate measurements. AT&T will make changes to PMAP to ensure that data continues to be correctly captured as system changes are implemented.

Special Access Measurements

(1) *Affected Measures:* SA-2

FOC Receipt Past Due

Description of Change: Currently, the distribution reports for FOC Receipt Past Due are combining both the open query and without open query data for reporting the denominator of each product. The aggregate and 12-month reports for FOC Receipt Past Due are correct. AT&T proposes to modify the code to include only the denominator results to the corresponding product. This proposed change was item number one on the filed Preliminary September 2010 Data Notification. (RQ10690)

Impact of Change:

-For the April 2010 data-month in Florida, the CLEC metric for DS1 FOC Receipt Past Due with Open Query Distribution Report changed from 0.09% to 0.20%.

-For the April 2010 data-month in Florida, the CLEC metric for DS3 FOC Receipt Past Due without Open Query Distribution Report changed from 0.49% to 0.59%.
