RE: Docket No. 090182-SU; Ni Florida, LLC's Application for Increase in Wastewater Rates  
in Pasco County, Florida  
Our File No.: 43053.03

Dear Ms. Cole:

As requested by Staff, attached hereto is a supplemental report detailing the Utility's refund of interim rates. The amount refunded, \$21,659.59, was calculated by taking the amount of interim revenues billed during the interim rate period and subtracting the revenues that would have been billed for the same period under the rate structure approved by the Commission for final rates. The interest earned on the escrow account through April 30, 2010 (the last bank statement received before refunds were calculated) was \$101.52. The Utility inadvertently did not include this interest in the refunds. Because this amounts to pennies per account, the Utility proposes to book this nominal amount, and any additional interest earned up to the closing of the escrow account (\$255.91 through June 30, 2010), to CIAC.

Should you have any questions or concerns, please do not hesitate to give me a call.

Very truly yours,

CHRISTIAN W. MARCELLI
