Marguerite, it looks like I should have listed Document No. 05584-10 (filed 7/8/10 in 100000-OT) also. The document is staff's recommendation, and should have been included with the others. Could you please move this document in to the new docket file (100370-EI) also? Thank you, and sorry for any inconvenience.
Larry

This is correct. The identified documents are the confidentiality request and supporting attachments, which together constitute the subject matter of this docket. Thank you for your help with this,
L
