AFFIDAVIT OF BRUCE BEISLER

BEFORE ME, the undersigned authority, personally appeared Bruce Beisler who, being first duly sworn, deposes and says:

1. My name is Bruce Beisler. I am currently employed by Florida Power & Light Company ("FPL") as Project Manager, Nuclear. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed Exhibit C and the confidential document that is the subject of FPL's Request for Confidential Classification of FPL's Response to Staff's Interrogatory No. 15. The document that I have reviewed contains the current cost estimate for each Extended Power Uprate equipment addition or modification. This information is proprietary confidential information which is both competitively sensitive and related to bids or contractual terms. Most of the costs presented reflect contractual terms with vendors. Estimated costs for items not currently contracted for, if disclosed, would inform vendors and competitors in the marketplace what FPL expects to pay for particular components or scopes of work, impairing contract negotiations to the detriment of FPL's customers. To the best of my knowledge, FPL has maintained the confidentiality of this document.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
