Docket No. 100009-EI
Filed: August 11, 2010

**FLORIDA POWER & LIGHT COMPANY'S
CONFIDENTIALITY EVIDENTIARY HEARING
PREHEARING STATEMENT AND LIST OF ISSUES**

Pursuant to the requirements of Order No. PSC-10-0482-PCO-EI, Florida Power & Light Company ("FPL") hereby files its Confidentiality Evidentiary Hearing Prehearing Statement and list of issues to be determined at the Confidentiality Evidentiary Hearing.

Statement of Basic Position

Each request for confidential classification filed by FPL in this docket seeks confidential treatment for information that is proprietary, confidential business information within the meaning of Section 366.093(3), Florida Statutes, and therefore should be kept confidential as provided for by Section 366.093(1), Florida Statutes. Further, each of FPL's requests has been filed in compliance with Rule 25-22.006, Florida Statutes. The confidential nature of the information at issue is supported by the affidavits of appropriate FPL personnel who attest to the harm that could be caused to the company and its customers if the information is publicly disclosed. Accordingly, FPL has sustained its burden of proof and each of its requests for confidential classification should be granted. Additionally, FPL recognizes the need to reach a balance between protecting proprietary confidential business information and enabling an unencumbered hearing process, and FPL is committed to work with all parties to help facilitate the use of the confidential material at hearing.
