RE: Telcove Operations, Inc. conversion and name change to
Telcove Operations, LLC.

Company Codes TX912 and TJS90
(TK121)

Dear Ms. Cole:

I am writing on behalf of Telcove Operations, LLC, to advise that the company converted from a Delaware corporation to a Delaware limited liability company, resulting in a name change from "Telcove Operations, Inc." to "Telcove Operations, LLC." The company obtained and maintains authorization to conduct business in Florida under its new name and form of business organization, as shown in the attached registration and current annual report. Accordingly, the company respectfully requests acknowledgement of the change of name on the company's CLEC certificate and IXC registration, as well as on the Commission's records.

Under Delaware law, the company's conversion from a corporation to a limited liability company was accomplished simply by filing a certificate of conversion and certificate of formation with the Secretary of State. Accordingly, the company does not believe that notice of the conversion was required under Section 364.33, Florida Statutes, because it did not result in any transfer of the company's IXC and CLEC certificates to a different entity, but instead effectively changed only the company's name and the form of its business organization. However, the company inadvertently neglected to advise the Commission of its name change, for which oversight we apologize.
