Double check with the filer if you prefer, but I believe this was intended to be filed in the undocketed docket (100000-OT) versus the fuel clause (100001-EI).

RE: Docket No. 100000-OT; Investigation into possible overearnings of Mid-County Services, Inc.

Our File No.: 30057.190

Dear Ms. Cole:

On June 30, 2010, Mid-County Services, Inc. (the "Utility"), the Office of Public Counsel and Staff of the Florida Public Service Commission held an informal meeting to discuss Mid-County Services, Inc. In light of these discussions, Staff has requested that the Utility file a proposal to settle the above-referenced matter.

To that end, the Utility would agree to withdraw its 2010 Index Application and refund and reduce the rates for the 2009 Index. Any 2009 overearnings above the amount of the 2009 Index refund would be refunded at the same time as the 2009 Index refund. The Utility would agree that the refund should be calculated based on the adjustments made in the last rate case (Docket No. 080250-SU). As such, the Utility would agree to a reduction in current rates by (1) the 2009 Index amount and (2) a further reduction by the amount of 2009 overearnings not alleviated by the 2009 Index reduction, net of Project Phoenix and relocation adjustments. This proposal would avoid the time and expense of multiple refunds and audits, and the customers would get an immediate benefit.

Should you or the Staff have any questions regarding this filing, please do not hesitate to give me a call.

Very truly yours,

CHRISTIAN W. MARCELLI
