the documents for which PEF seeks confidential treatment. Composite Exhibit A is being submitted separately in a sealed envelope labeled “CONFIDENTIAL.” In the unredacted versions, the information asserted to be confidential is highlighted by yellow marker.

(b) Composite Exhibit B is a package containing two copies of redacted versions of the documents for which the Company requests confidential classification. The specific information for which confidential treatment is requested has been blocked out by opaque marker or other means.

(c) Exhibit C is a justification table which identifies by page and line the information for which PEF seeks confidential classification and the specific statutory bases for seeking confidential treatment.

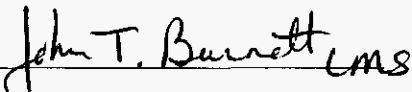

3. As indicated in Exhibit C, the information for which PEF requests confidential classification is “proprietary confidential business information” within the meaning of Section 366.093(3), F.S. Specifically, the information at issue relates to competitively negotiated contractual data, such as volumes, contractual information between Hathaway and various suppliers, site locations and forecasted fuel prices, the disclosure of which would impair the efforts of the Company or its affiliates to negotiate purchase power contracts on favorable terms. *See* § 366.093(3)(d), F.S.; Affidavit of David Gammon at ¶ 5. Furthermore, the information at issue relates to the competitive interests of both PEF and Hathaway Renewable Energy, Inc. (“Hathaway”), the disclosure of which would impair their competitive businesses. *Id.* § 366.093(3)(e); Affidavit of David Gammon at ¶ 6. Accordingly, such information constitutes “proprietary confidential business information” which is exempt from disclosure under the Public Records Act pursuant to Section 366.093(1), F.S.

4. The information identified as Exhibit "A" is intended to be and is treated as confidential by the Company. See Affidavit of David Gammon at ¶ 7. The information has not been disclosed to the public, and both PEF and Hathaway have treated and continues to treat the information at issue as confidential. See Affidavit of David Gammon at ¶ 7.

5. PEF requests that the information identified in Exhibit A be classified as "proprietary confidential business information" within the meaning of section 366.093(3), F.S., that the information remain confidential for a period of at least 18 months as provided in section 366.093(4) F.S., and that the information be returned as soon as it is no longer necessary for the Commission to conduct its business.

WHEREFORE, for the foregoing reasons, PEF respectfully requests that this Request for Confidential Classification be granted.

RESPECTFULLY SUBMITTED this 18th day of August, 2010.
